

OPHELIA LOUNGE CHAIR

COLLECTION: Lounge Chairs

LS-531LC

The Ophelia Lounge Chair features a softly rounded, wraparound silhouette that creates an inviting and intimate seating experience. Its curved backrest flows seamlessly into the arms, forming a continuous upholstered shell that gently embraces the seat. The smooth interior upholstery contrasts with the outer shell, which is framed by a subtle edge detail that highlights the chair's sculpted profile and refined craftsmanship.

The design is further elevated by the contrasting exterior panel that wraps around the back and sides, adding visual depth and a layered appearance to the chair. This two-tone composition emphasizes the chair's elegant curvature while maintaining a clean, contemporary aesthetic.
