

RHODES LOUNGE CHAIR

COLLECTION: Lounge Chairs

LS-538LC

The Rhodes Lounge Chair features a refined, softly contoured silhouette designed to balance comfort with a clean, modern aesthetic. Its gently curved backrest flows seamlessly into the integrated arms, creating a cohesive form that offers supportive seating while maintaining a light visual presence. The fully upholstered frame and seat present a smooth, tailored appearance that complements both contemporary and transitional hospitality interiors.

Tapered solid wood legs elevate the design, finished with distinctive metal ferrules that introduce a subtle accent and enhance the chair's sophisticated profile. The combination of sculpted upholstery and elegant leg detailing makes the Rhodes Lounge Chair well suited for lounges, guest rooms, and public seating areas where both style and durability are essential.
