COLLECTION: Lounge Chairs

LS-593LC

The Normand Lounge Chair showcases a softly sculpted barrel silhouette that invites relaxed, comfortable seating. Its curved backrest flows seamlessly into gently integrated arms, creating a supportive enclosure that enhances the overall sense of comfort. A plush, generously cushioned seat provides a relaxed sit, while subtle seam detailing highlights the chair's smooth, tailored upholstery and refined form.

Supported by a solid wood base with elegantly tapered legs, the Normand Lounge Chair balances soft contours with a clean architectural foundation. The contrast between the upholstered shell and the structured wood frame adds visual depth, giving the chair a sophisticated yet welcoming presence.
