

# BRYAN SOFA BED

**COLLECTION:** Sofa Beds

**LS-649SB**

The Bryan Sofa Bed blends contemporary structure with tailored comfort, making it a versatile piece suited for modern hospitality and residential interiors. Its clean, boxy silhouette is softened by vertically channeled upholstery that wraps seamlessly around the arms and back, creating a refined rhythm of lines that adds subtle visual texture.

Generously cushioned seat pads provide supportive comfort, while the fully upholstered frame gives the sofa a cohesive and polished appearance from every angle. The low-profile plinth base in wood grounds the design and introduces a warm architectural element that contrasts beautifully with the upholstered body.
