

MALONE LOUNGE CHAIR

COLLECTION: Lounge Chairs

LS-690LC

The Malone Lounge Chair blends refined comfort with a modern, sculpted silhouette. Its fully upholstered shell wraps smoothly around the seat and arms, creating a supportive and inviting form that gently cradles the user. The curved back transitions seamlessly into integrated armrests, while the plush seat cushion adds an extra layer of comfort, making it ideal for relaxed seating environments.

Set on a sturdy wood base with subtly tapered legs, the Malone Lounge Chair introduces a striking contrast between the soft upholstery and the structured frame beneath. The clean lines and balanced proportions give the chair a sophisticated presence, making it a versatile addition to hotel lounges, guest rooms, and contemporary hospitality spaces.
