COLLECTION: Lounge Chairs

LS-804LC

The Hodge Lounge Chair features a soft, sculptural silhouette defined by its curved barrel back and gently rounded form. The continuous wraparound backrest creates an inviting enclosure, offering both visual softness and supportive comfort. Its clean upholstery and seamless curves give the chair a refined, contemporary presence.

A generously cushioned seat enhances the chair's relaxed feel, while the smooth, tailored upholstery highlights the subtle shaping of the frame. Tapered wood legs introduce warmth and contrast, grounding the design while maintaining a light and elegant profile.
