

SWEENEY LOUNGE CHAIR

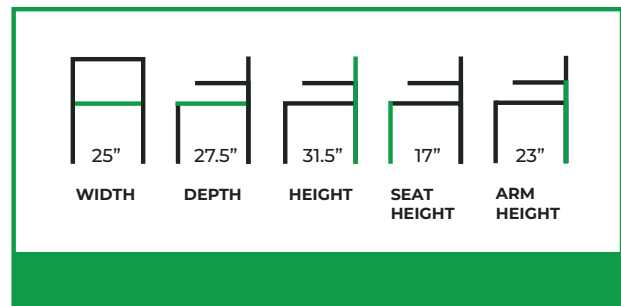

COLLECTION: Lounge Chairs

LS-842LC

The Sweeney Lounge Chair features a softly curved barrel silhouette that creates an inviting and comfortable seating experience. The gently flared arms flow smoothly into the rounded backrest, forming a cohesive upholstered shell that subtly wraps around the seat. Vertical seam detailing along the inside back adds visual interest while enhancing the chair's sculpted profile, and the generously cushioned seat provides a relaxed and supportive sit.

Set on solid wood legs with a warm, tapered profile, the Sweeney Lounge Chair introduces a natural contrast to the smooth upholstered body above. The elevated stance keeps the design feeling light and balanced, while the rounded proportions maintain a welcoming presence.
