

# RANDALL LOUNGE CHAIR

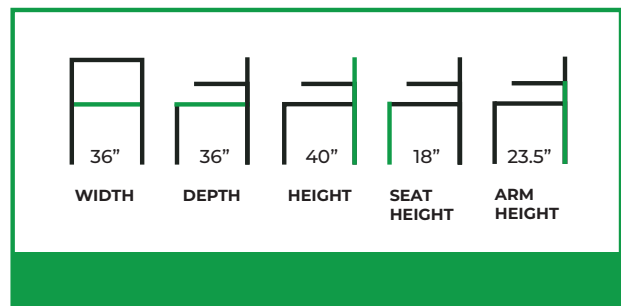

**COLLECTION:** Lounge Chairs

**LS-860LC**

The Randall Lounge Chair features a refined, high-back silhouette designed to provide both comfort and visual presence. Its gently flared backrest extends upward to create a supportive, enveloping shape, while the subtly curved arms flow smoothly into the body of the chair. A plush, loose seat cushion adds depth and softness to the seat, balancing the chair's structured outer form with inviting comfort.

The exterior back panel introduces a subtle contrast to the upholstered interior, highlighting the chair's sculpted profile and clean tailoring. Set on slender, tapered legs, the Randall Lounge Chair maintains a light and elevated appearance while preserving a strong architectural stance.
