

BRONX LOUNGE CHAIR

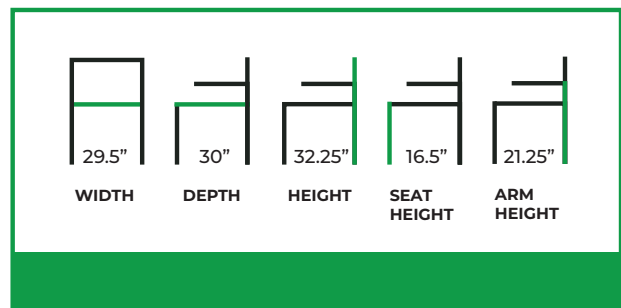

COLLECTION: Lounge Chairs

LS-913LC

The Bronx Lounge Chair is defined by its softly sculpted silhouette and fluid lines, where gently curved arms rise seamlessly into a supportive wraparound back. The continuous contour creates an inviting form that cradles the body while maintaining a clean, architectural profile. A generously proportioned seat cushion enhances comfort, offering a relaxed sit without compromising its tailored appearance.

The refined outer shell contrasts subtly with the upholstered interior, highlighting the chair's thoughtful craftsmanship and layered design. Elevated on solid tapered wood legs, the Bronx introduces a subtle mid-century influence balanced with contemporary sophistication.
