

LESLEY LOUNGE CHAIR

COLLECTION: Lounge Chairs

LS-982LC

The Lesley Lounge Chair features a striking high-back silhouette that brings both comfort and visual presence to a space. Its tall, gently curved backrest rises smoothly from the seat, creating a soft, cocoon-like form that offers supportive seating while emphasizing the chair's sculptural profile. The rounded seat cushion follows the chair's flowing lines, while a coordinating accent pillow adds an additional layer of comfort and balance to the design.

Set on a beautifully crafted wood base with slender, angled legs, the chair introduces warmth and subtle contrast to the upholstered form. The combination of its elevated back, smooth contours, and refined proportions gives the Lesley Lounge Chair a distinctive yet versatile character, making it well suited for hospitality lounges, guest rooms, and contemporary seating areas.
