

MARIO SIDE CHAIR

COLLECTION: Signature

SC-091SC

The Mario Side Chair pairs a distinctive circular backrest with a compact, engineered base that keeps the silhouette light while maintaining strong support. The round back provides broad upper-back contact and encourages a centered sitting posture, while the padded seat is slightly contoured to create a stable, comfortable perch. An open gap between seat and back improves flexibility and makes the chair easy to grip and move.

Structurally, the chair is built on four tapered legs set at a gentle splay for stability. The seat is carried by a shaped support frame that distributes load into the legs and reinforces the corners to reduce flex over time. The backrest mounts into the rear structure as a rigid element, helping stabilize the chair when the sitter leans back—well-suited for dining and hospitality settings where chairs are frequently repositioned.

KEY FEATURES:

- ◇ **Commercial-Grade Construction**
Built for durability and daily use in high-traffic hospitality environments
- ◇ **Contract-Grade Foam**
Premium cushioning engineered for long-lasting comfort and shape retention.
- ◇ **Solid Wood Frame**

FRAME: Solid Wood

FINISH OPTIONS: SC WOOD STAINS

UPHOLSTERY OPTIONS: FABRIC + VINYL

MINIMUM ORDER QUANTITY:

- ◇ Standard: 4 units

COM REQUIREMENTS: 2 yards
