

# MAISON ARMCHAIR

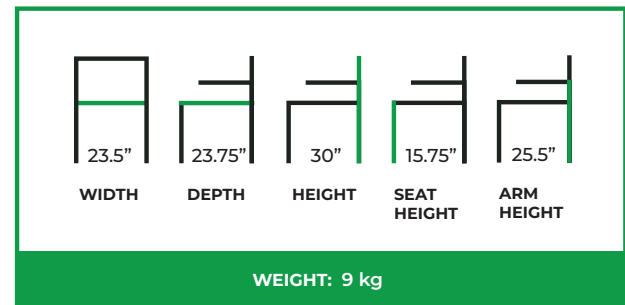

**COLLECTION:** Signature

**SC-103AC**

The Maison Armchair presents a refined, expressive silhouette defined by its softly sculpted form and tailored upholstery. The gently curved backrest and integrated arms create an enveloping profile that offers supportive comfort, while subtle gathering along the back introduces texture and visual depth. This combination of structure and softness gives the chair a distinctive, elegant presence.

Designed for relaxed yet upright seating, the generously cushioned seat and supportive back encourage comfort during extended use. Balanced by a well-proportioned base, the Maison Armchair is well suited to dining and hospitality interiors seeking a sophisticated blend of craftsmanship, character, and everyday comfort.
