

KANAT ARMCHAIR

COLLECTION: Signature

SC-229AC

The Kanat Armchair is distinguished by its fluid, sculptural silhouette and refined sense of balance. A softly contoured backrest flows seamlessly into gently curved arms, creating an embracing form that offers supportive comfort while maintaining an open, elegant profile. The contrast between the upholstered shell and the articulated wooden frame highlights thoughtful craftsmanship and gives the chair a light, architectural presence.

Designed for relaxed yet upright seating, the contoured seat and supportive back encourage comfort during extended use. With its well-proportioned stance and harmonious blend of structure and softness, the Kanat Armchair is well suited to dining and hospitality environments seeking a refined, contemporary design with timeless appeal.
