

AUDEN ARMCHAIR

COLLECTION: Signature

SC-236AC

The Auden Armchair presents a refined, timeless silhouette defined by its structured frame and gently contoured seating. Clean, straight arms frame the chair with a sense of balance and restraint, while the softly padded backrest and seat provide supportive comfort. The contrast between the crisp outer frame and the cushioned interior gives the design a composed, confident presence.

Designed for comfortable, upright seating, the Auden Armchair supports extended use without sacrificing visual clarity. Its well-proportioned stance and thoughtful craftsmanship make it a versatile choice for dining rooms, hospitality settings, and social spaces seeking understated elegance, durability, and enduring design appeal.
