SC-239AC

The Selene Armchair is defined by its graceful, sculptural silhouette and refined sense of balance. A gently curved backrest flows seamlessly into slender, arched arms, creating an embracing form that offers supportive comfort while maintaining a light, airy presence. The smooth continuity of lines gives the chair a sense of quiet sophistication and visual harmony.

Designed for relaxed yet upright seating, the contoured seat and supportive back provide comfort during extended use without compromising the chair's elegant profile.
