

OAKEN SIDE CHAIR

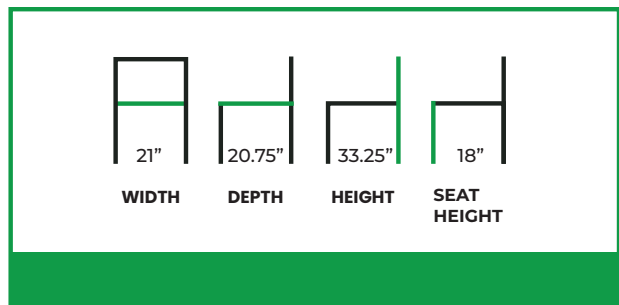

COLLECTION: Signature

SC-477SC

The Oaken Side Chair combines a supportive, upholstered seat-and-back with a robust, braced wood frame designed for long-term stability. The gently reclined backrest provides consistent upper-back support, while the thick seat cushion offers a firm, even platform that works well for extended dining. Its armless profile keeps the chair compact and easy to move in tighter layouts.

Structurally, the chair is defined by substantial front and rear legs connected with cross-bracing and an arched stretcher that ties the base together. This triangulated support system helps distribute load, stiffen the frame against side-to-side racking, and reduce wobble over time—especially important in high-traffic settings. The reinforced under-seat frame further stabilizes the cushion and keeps the chair feeling solid with frequent use.

KEY FEATURES:

- ◆ **Commercial-Grade Construction**
Built for durability and daily use in high-traffic hospitality environments
- ◆ **Contract-Grade Foam**
Premium cushioning engineered for long-lasting comfort and shape retention.
- ◆ **Solid Wood Frame**

FRAME: Solid Wood

FINISH OPTIONS: SC WOOD STAINS

UPHOLSTERY OPTIONS: FABRIC + VINYL

MINIMUM ORDER QUANTITY:

- ◆ Standard: 4 units
