

ALTO ARMCHAIR

COLLECTION: Signature

SC-740AC

The Alto Armchair is defined by a bold, sculptural silhouette that balances strength and softness. A continuous, wraparound backrest forms an embracing arc, offering supportive comfort while creating a distinctive architectural profile. The contrast between the solid, grounded legs and the gently contoured upholstered seat and back gives the chair a refined sense of structure and depth.

Designed for relaxed yet supportive seating, the Alto Armchair provides comfortable back and arm support without visual heaviness. Its confident stance and thoughtful proportions make it well suited to dining, hospitality, and social spaces seeking a statement piece that combines comfort, craftsmanship, and modern design clarity.
