

STELLAN ARMCHAIR

COLLECTION: Signature

SC-802AC

The Stellan Armchair features a refined, modern silhouette defined by soft geometry and balanced proportions. Its gently curved backrest and slim, integrated arms create a welcoming, open form that supports the sitter while maintaining a light, architectural presence. The contrast between the structured frame and the softly contoured seat gives the chair a composed yet inviting character.

Designed for relaxed, upright seating, the Stellan Armchair offers supportive comfort without visual heaviness. Clean lines, thoughtful spacing, and a well-proportioned base make it well suited to dining and hospitality environments seeking contemporary design with warmth, clarity, and everyday usability.
