

WALLACE SIDE CHAIR

COLLECTION: Envision

ENV-770SC

The Wallace Side Chair blends sculptural curves with refined craftsmanship, creating a silhouette that feels both elevated and inviting. Its softly rounded upholstered seat and crescent-shaped backrest bring a sense of comfort and sophistication, while the tapered solid wood legs add warmth and balance to the design. Subtle metal detailing along the back support introduces a refined architectural touch, giving the chair added depth and character.

Designed for modern dining rooms, upscale hospitality spaces, cafés, and contemporary interiors, the Wallace Side Chair delivers a seamless mix of comfort, elegance, and timeless modern style.
