

HILDA BARSTOOL

COLLECTION: Envision

ENV-961BS

The Hilda Barstool combines natural textures with a sleek, modern silhouette to create a warm yet refined seating option. Featuring a woven cane backrest framed by smooth wood detailing, the design introduces an organic element that softens its slender metal base and streamlined profile.

The upholstered seat enhances comfort while complementing the stool's airy, lightweight appearance. Ideal for hospitality lounges, upscale cafés, boutique dining spaces, and contemporary residential interiors, the Hilda Barstool offers a sophisticated balance of craftsmanship, texture, and modern simplicity.
