

MOUSSY SIDE CHAIR UPHOLSTERED FRONT / WOVEN BACK

COLLECTION: Euro

EU-1084SC-UUPA

The upholstered front and woven back Memphis Side Chair combines comfort and natural texture within a sculptural solid wood frame. An upholstered seat and inner backrest deliver soft support, while the woven back panel adds visual lightness and tactile contrast. Its space-efficient, armless profile creates an inviting silhouette ideal for hospitality dining and lounge spaces.

Blending tailored upholstery with warm woven detailing, it highlights fine wood craftsmanship without sacrificing durability. Tapered legs and integrated stretchers reinforce the frame, maintaining the clean, refined proportions of the Memphis collection.
