

NAOMI ARMCHAIR

COLLECTION: Signature

SC-211AC

Naomi Armchair is defined by its seamless barrel silhouette, enveloping the sitter in a continuous, protective curve. The backrest swoops down into integrated armrests with fluid precision, creating a clean, unified shape that feels equal parts cozy and refined.

Subtle vertical seams run along the interior and exterior frame, highlighting the chair's structural craftsmanship without cluttering its minimalist line. Anchoring the design are four slender, round-tapered wooden legs that angle slightly outward, providing a light, poised stance that lifts the rounded seat for an effortless visual balance. Ideal for modern hospitality dining spaces, high-end lounges, or stylish office suites, the Naomi Armchair brings timeless warmth and fluid, organic structure to any layout.
